Board, ISC Board, Junior High School Branch, CBSE Board (10+2) (Vikrant Khand-3, Gomti Nagar) & Vrindavan Branch. These have made a great impact on the society by imparting quality education to thousands of students desirous of becoming highly qualified professionals.

The quality of education imparted in the Academy can be easily judged with the 100% result achieved by the school every year in the High School and Intermediate result of UP, ISC and CBSE Board Examinations. The students have brought glory by attaining top ranks at the state level in UP Board High School & Intermediate Examinations.

A new landmark has been set into SKD's glorious journey when it started Teacher's Training College (B.Ed Course from academic session 2016), Degree Courses (B.Com.) from July 2017 and (B.Sc. - ZBC) July 2018 onwards at Vrindavan Branch.

The college has always been conscious of its role as a constructive and responsible part

WELCOME TO OUR COLLEGE

of the society. Utmost attention is given to the overall development of students through Co-Curricular and Extra-Curricular activities. In spite of phenomenally large number of students, the standard of discipline is well maintained. The student-teacher relation remains absolutely cordial. The college also provides professional / personal counselling to the students. Our institution's main objective is to link academic education with job opportunities.

Overall consistent and unstinting efforts of the College are borne out by the fact that students enter the college as uncertain and bewildered but leave its portals as much more confident and focused. They are ready to lead successful lives of their own thereby enhancing the upliftment of the society.

SKD Group of Education is touching the heights with the blessings of God.
